Stockholm+50 Agenda for Action, Renewal and Trust

Stockholm+50 outcomes: 1. Recommendations from the Leadership Dialogues

Leadership Dialogue 1

Healthy planet and prosperity of all

- **Healthy planet essential** for our social and economic progress and resilience, well-being and health
- Restoring trust through **effective and fair multilateralism** and partnerships
- **Human rights to a clean, healthy and sustainable environment** is critical
- **Integrated and joint approaches** for action, incl repurposing and scaling finance

Leadership dialogue 2:

Sustainable and inclusive recovery

- Accelerate system-wide transformation of **high impact sectors** (e.g. food, energy and manufacturing)
- Address **poverty, inequality and sustainable development**, incl. through education and capacity building
- Increase access to **green and digital technologies**

Leadership dialogue 3:

Accelerating implementation

- Accelerating **mobilization of finance**
- Accelerating **inclusive, coherent, and agile governance**
- Accelerating **effective multilateralism and strengthened partnerships**

Stockholm+50 outcomes: 2. Recommendations from the co-Presidents, Sweden & Kenya based on the plenary and leadership Dialogues

1. Place **human well-being at the centre of a healthy planet** and prosperity for all
2. Recognise and implement the **right to a clean, healthy and sustainable environment**
3. Adopt **system wide change in the way our current economic system works** to contribute to a healthy planet
4. Strengthen **national implementation of existing commitments** for a healthy planet
5. Align **public and private financial flows** with environmental, climate and sustainable development commitments
6. Accelerate **system-wide transformations of high impact sectors**, such as food, energy, water, buildings and construction, manufacturing, and mobility
7. Rebuild **relationships of trust** for strengthened cooperation and solidarity
8. Reinforce and reinvigorate the **multilateral system**
9. Recognise **intergenerational responsibility** as a cornerstone of sound policy-making
10. **Take forward** the Stockholm+50 outcomes

Stockholm+50 outcomes: 3. Initiatives & Declarations

delivering on the Stockholm+50 principles of engagement

Intergenerational responsibility

- [United Nations Foundation/Unlock the Future Coalition](#)
- [Ministerial Statement on Future Generations led by Sweden and signed by other 14 countries](#)
