<th>Leadership dialogue 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Healthy planet and prosperity of all</td>
<td>Sustainable and inclusive recovery</td>
<td>Accelerating implementation</td>
</tr>
</tbody>
</table>

- **Healthy planet essential** for our social and economic progress and resilience, well-being and health
- Restoring trust through **effective and fair multilateralism** and partnerships
- **Human rights to a clean, healthy and sustainable environment** is critical
- **Integrated and joint approaches** for action, incl repurposing and scaling finance

- **Accelerate system-wide transformation of high impact sectors** (e.g. food, energy and manufacturing)
- Address **poverty, inequality and sustainable development**, incl. through education and capacity building
- **Increase access to green and digital technologies**

- **Accelerating mobilization of finance**
- **Accelerating inclusive, coherent, and agile governance**
- **Accelerating effective multilateralism and strengthened partnerships**
Stockholm+50 outcomes: 2. Recommendations from the co-Presidents, Sweden & Kenya based on the plenary and leadership Dialogues

1. Place human well-being at the centre of a healthy planet and prosperity for all
2. Recognise and implement the right to a clean, healthy and sustainable environment
3. Adopt system wide change in the way our current economic system works to contribute to a healthy planet
4. Strengthen national implementation of existing commitments for a healthy planet
5. Align public and private financial flows with environmental, climate and sustainable development commitments
6. Accelerate system-wide transformations of high impact sectors, such as food, energy, water, buildings and construction, manufacturing, and mobility
7. Rebuild relationships of trust for strengthened cooperation and solidarity
8. Reinforce and reinvigorate the multilateral system
9. Recognise intergenerational responsibility as a cornerstone of sound policy-making
10. Take forward the Stockholm+50 outcomes
Stockholm+50 outcomes: 3. Initiatives & Declarations delivering on the Stockholm+50 principles of engagement

Intergenerational responsibility
- United Nations Foundation/Unlock the Future Coalition
- Ministerial Statement on Future Generations led by Sweden and signed by other 14 countries
- Global petition for a UN Declaration of Rights of Mother Earth
- The People’s Environment Narrative, Stakeholder Forum for a Sustainable Future and the Norwegian Forum for Environment and Development, with the support of UNEP and the Swedish Government
- Stockholm+50 Interfaith Statement, Faith, Values and Reach – Contribution to Environmental Policy
- The Global Youth Policy Paper
- Declaration for Stockholm+50: Restoring Our Common Home
- Indigenous Peoples and Local Communities

Interconnectivity
- A monitoring tool for accountability and transparency of the private sector on commitments toward net zero carbon, nature positive, pollution free activities

Implementing opportunity
- Global Kick-off of the EAT-Lancet 2.0 Commission
- Data Driven Environmental Solutions Hub – Supporting developing countries to deliver on the triple planetary crisis - a shared UNEP@50 and Stockholm+50 legacy initiative
- CODES Action Plan for a Sustainable Planet in the Digital Age
- Green Jobs for Youth Pact: Accelerating young skills and talent for green jobs (ILO, UNEP, UNICEF) | Overview, Event coverage
- A call to action for governments, multilateral development banks, global funds and intermediaries at Stockholm+50 to invest in locally led action for people, nature and climate through devolved finance and decision-making was presented and promoted through Principles for locally led adaptation and Money where it matters for people, nature and climate.
- An initial set of countries endorsing the Agriculture Breakthrough and setting out the process for the Global Checkpoint Mechanism in support of a healthy planet, for intragenerational and intergenerational equity, gender equity and collective wellbeing.
Stockholm+50 Outcomes: 4. Stakeholder contributions

Stockholm+50 Outcomes: 5. Strengthening the environmental dimension in other Global Processes and the 2030 agenda drawing in key messages from 2021/2022, feeding into 2022/2023 & beyond

(Adapted from the UN Food Systems Summit)
Stockholm+50 outcomes: 6. Initial steps for implementation

- **Green Jobs for Youth Pact: Accelerating young skills and talent for green jobs**
  - Cooperation between UNEP, ILO and UNICEF/Generation Unlimited
  - Increasing opportunities for youth employment
  - Address the skills gap in developing countries

- **Data-driven environmental Solutions Hub** (joint with UNEA5.2)
  - Capacity building support for addressing the planetary crisis and the digital gap
  - Innovation scanning for accessible & frugal tech solutions
  - Data and analytics services for developing countries

- **Commitment monitoring platform**
  - Collect, analyse and track voluntary commitments from Stockholm+50, Beat Pollution (UNEA3) others
Towards an inclusive, networked environmental multilateralism in support of strengthening the environmental dimension of the 2030 Agenda, our prosperity and collective well being.

**UNEA 5.2  28 Feb – 02 Mar 2022**

**Actions for Nature for SDGs (food, jobs, health, climate)**

**Outcomes:**
- Ministerial Declaration
- Global mandate for an international agreement on plastic pollution
- 14 resolutions on Chemicals, Waste & Pollution; Nature & Biodiversity; Green Recovery and Circular Economy; etc.

**UNEP@50  3-4 Mar 2022**

**Strengthening Actions for Nature to Achieve SDGs**

**Outcomes:**
- Adoption of “Political Declaration” pursuant GA resolution 73/333*
- Report “The UNEP We Want” by stakeholders
- Launch of the new World Environment Situation Room (WESR) Strategy
- Report on Science-Policy Interface

**Stockholm+50  2-3 June 2022**

**A healthy planet for the prosperity of all-our responsibility, our opportunity**

**Outcomes:**
- Leadership Dialogues recommendations
- Recommendations from Co-Presidents, Sweden and Kenya (Stockholm Agenda for Action, Renewal and Trust)
- Initiatives & Declarations delivering on the 3 principles of engagement
- Strengthening environmental dimension in other Global Processes & 2030 Agenda
- Initial steps for implementation (Green Jobs for Youth Pact; Data-driven environmental Solutions Hub; Commitment monitoring platform)
