**Ad hoc open-ended working group on a science-policy panel
to contribute further to the sound management of
chemicals and waste and to prevent pollution
First session
Nairobi, 6 October 2022***

Rules of Procedure of the United Nations Environment Assembly

Note by the Secretariat

The secretariat has the honour to circulate, in the annex to the present note, weblinks to the rules of procedure of the United Nations Environment Assembly embodying amendments and additions adopted by the Environment Assembly and previously the Governing Council up to May 2016, which the ad hoc open ended working group on a science-policy panel to contribute further to the sound management of chemicals and waste and to prevent pollution may wish to apply, *mutatis mutandis*, to its work. The present document has been issued without formal editing.

* The first session of the ad hoc open-ended working group on a science-policy panel to contribute further to the sound management of chemicals and waste and to prevent pollution is being held in two parts. The first part of the session will be held in Nairobi on 6 October 2022, while the second part, namely the resumed first session, will be held in person in Bangkok and is tentatively scheduled to be held in the first quarter of 2023.

Annex

The rules of procedure of the United Nations Environment Assembly embodying amendments and additions adopted by the Environment Assembly and previously the Governing Council up to May 2016 are available in the six official languages of the United Nations at the links below.
