Agenda item 2: Update by UNON on Capital projects at the UN compound in Gigiri.

Representatives from the United Nations Office (UNON) in Nairobi will provide an update on the capital projects at the Gigiri compound, including the replacement of office blocks A-J and addressing the deteriorating conditions and limited capacity of the conference services facilities.

Detailed information on these two subjects can be found under the following links:

- [Progress on the replacement of office blocks A–J at the United Nations Office at Nairobi – report of the Secretary General \(A/77/349\)](#)
- [Addressing the deteriorating conditions and limited capacity of the conference services facilities at the United Nations Office at Nairobi Report of the Secretary-General \(A/77/247\)](#)

The latter report provides an update on the additional work undertaken from 1 January through 31 August 2022, following the issuance of the previous report of the Secretary-General ([A/76/400](#)). The matter is currently under consideration and possible decision by the Fifth Committee of the UN General Assembly in New York.

Delegations are invited to ask for any further clarifications and share their views and comments on the briefing from UNON.
