In addition to the above, the UNHQ Medical Services Division advises pregnant United Nations personnel not to undertake duty travel or be relocated to countries/areas where local transmission of Zika virus is known to occur. Women seeking pregnancy should obtain individualized advice from their medical practitioner on risk management regarding their plans to travel into a Zika-affected area. For further information, please refer to the Zika virus FAQ, available at https://www.unescap.org/sites/default/d8files/event-documents/ZikaFAQ.pdf.
