

Management Response: Implementation Plan for Evaluation Recommendations

General Information

Eval ID	693
Evaluation Manager	Victor Beguerie
Project Evaluation Title	Terminal Evaluation of the UNEP/GEF project "LGEE Promoting Energy Efficiency and Renewable Energy in Buildings in Jamaica" GEF Id 4167
PIMS #	
GEF ID	4167
UNEP Sub-programme	SP1 – Climate Change
GEF Focal Area	Climate Change Mitigation
Project Manager/ Task Manager	Asher Lessels
Office/Division	Economy Division
Branch & Unit	
Final PDF Report distributed by Evaluation Office (Date)	08-06-22
Total # of Recommendations as per Report	2
Implementation Plan Sent to PM/TM (Date)	27-06-22
Implementation Plan Returned by PM/TM (Date)	21-07-22
Implementation Plan finalized (if different from the date above)	02-08-22

Implementation Plan

No	Challenge/problem to be addressed by the recommendation	Recommendation	Priority level	Type of Recommendation	Responsibility	Proposed Implementation time-frame	Acceptance	Reason if not Accepted or Partially Accepted	Management Action(s) to be taken
1	The Build Better Jamaica online knowledge platform was set up as a standalone, project website. As a standalone website there is a risk that the project's knowledge platform, with its wealth of resources, will be lost or inaccessible should funding for maintenance and hosting fall away. Ideally this should be integrated into a university or	Integrate the Build Better Jamaica web platform with the university website	Important	Partners	UWI	Before funding for maintenance and hosting in the current format expires.	Partially Accepted	UWI doesn't integrate external websites, nor provide links. However, PM is in conversation with UWI to explore options.	PM to continue discussions with UWI, MITS Division (Mona Information Technology Services, IT support for the university). Although they face some limitations (see column L), the PM and representatives of the MITS Division will explore possibilities for incorporating

	government website where it can continue as part of the overall online facility or web presence, without requiring a separate, dedicated budget to be maintained and remain live.								project information into a page of the UWI website. The Project Manager will provide an update on progress on this recommendation in December 2022.
2	<p>Ensure proven and demonstrated performance data is available and communicated effectively to secure project impact and results.</p> <p>A proposed way to firm up on the commitment is to encourage post graduate students in Physics, Engineering, Architecture, or construction management to utilise performance data for study purposes. Post graduate studies into ZNEB performance, aspects of ZNEB design, and/or specific solutions or technologies in tropical climatic conditions could support the data collection and analysis.</p>	Secure the commitment to data collection and dissemination from the two demonstration projects.	Critical	Partners	UWI, in partnership with other academic institutions and in collaboration with beneficiaries of the demonstration projects i.e. NHT and UWI itself.	As soon as possible	Accepted	N/A	<p>ZNEB. Commitment in place (see column L)</p> <p>NHT. The Project Manager will follow up with NHT to explore how to continue sharing data on a periodic basis with the UWI Faculty of Science. He will report back on progress to implement this recommendation in December 2022.</p>
