Policy and Programme Division and Corporate Services Division

Secretariat Briefing

Tim Kasten, Director Policy and Programme Division
26th January 2023

Session Objectives

- To provide an overview of the UNEA Monitoring and Reporting portal.
- To present a walkthrough of the registration procedure, portal navigation and reporting process.
- To obtain comments and feedback regarding the portal.

Introduction

The UNEA Monitoring and Reporting Portal is a dedicated platform for **monitoring** and **reporting** of progress in the implementation of UNEA resolutions, decisions and declarations.

Background

15 March 2019: UNEA adopted Resolution 4/22 on the Implementation and follow-up of UNEA resolutions.

27 February 2020: CPR agreed on reporting framework, which constituted the development of the UNEA Monitoring and Reporting Portal

16 October 2020: UNEP launched the first version of the portal and presented it to the CPR meeting.

25 October 2022: UNEP Presented portal updates and encouraged Member States and Stakeholders to using the portal.

Current Resolutions Reporting Framework

UNEA Portal - UNEA Monitoring and Reporting Portal

Dedicated - Reports to CPR as per relevant agenda items

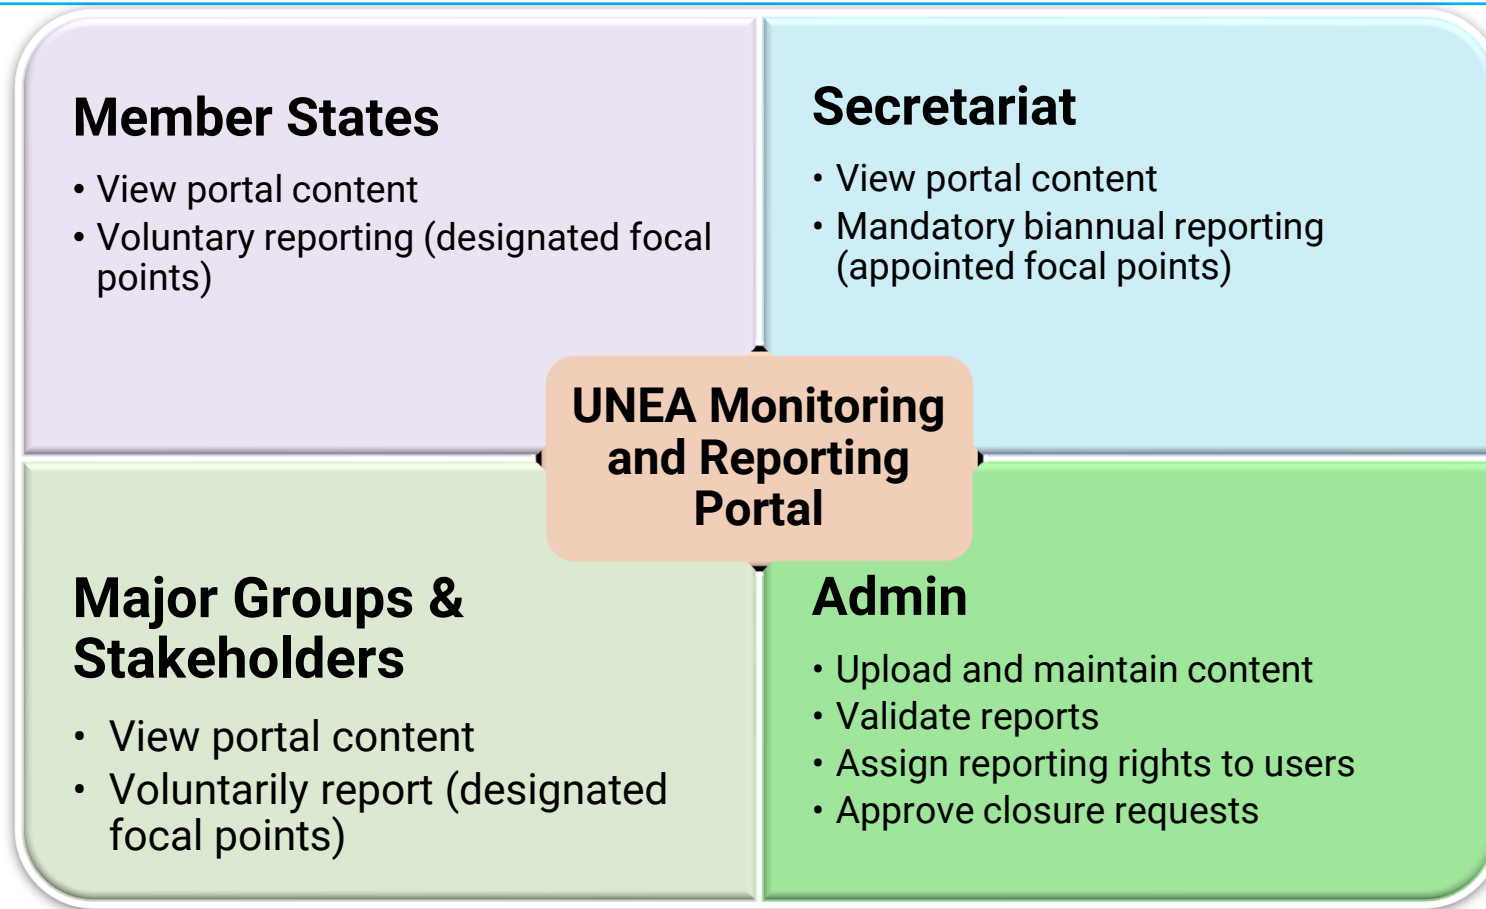

PPR - Updates through annual and biennial PPR

Summary

The resolution recognizes that sustainable and mineral resources contributed significantly to Sustainable Development Goals and underpins knowledge and experience on regulatory and implementation practices, technologies and sustainable management of metal and minerals over the whole life of a mine and the post mining stage. The resolution specifically builds on the findings of the reports "Mineral Resource Government in the 21st Century of the International Resource Panel, by UNEP on mine tailing storage and by UNEP
