UN environment programme

Introduction

The UNEA Monitoring and Reporting Portal is a dedicated platform for **monitoring** and **reporting** of progress in the implementation of UNEA resolutions, decisions and declarations.

UN environment programme

Background

15 March 2019: UNEA adopted Resolution 4/22 on the Implementation and follow-up of UNEA resolutions.

27 February 2020: CPR agreed on reporting framework, which constituted the development of the UNEA Monitoring and Reporting Portal

16 October 2020: UNEP launched the first version of the portal and presented it to the CPR meeting.

25 October 2022: UNEP Presented portal updates and encouraged Member States and Stakeholders to using the portal.

Current Resolutions Reporting Framework

UNEA Portal	-	UNEA Monitoring and Reporting Portal
Dedicated	-	Reports to CPR as per relevant agenda items
PPR	-	Updates through annual and biennial PPR
Quarterly	-	CPR reports to include information on resolutions as relevant

Designating Reporting Focal Points

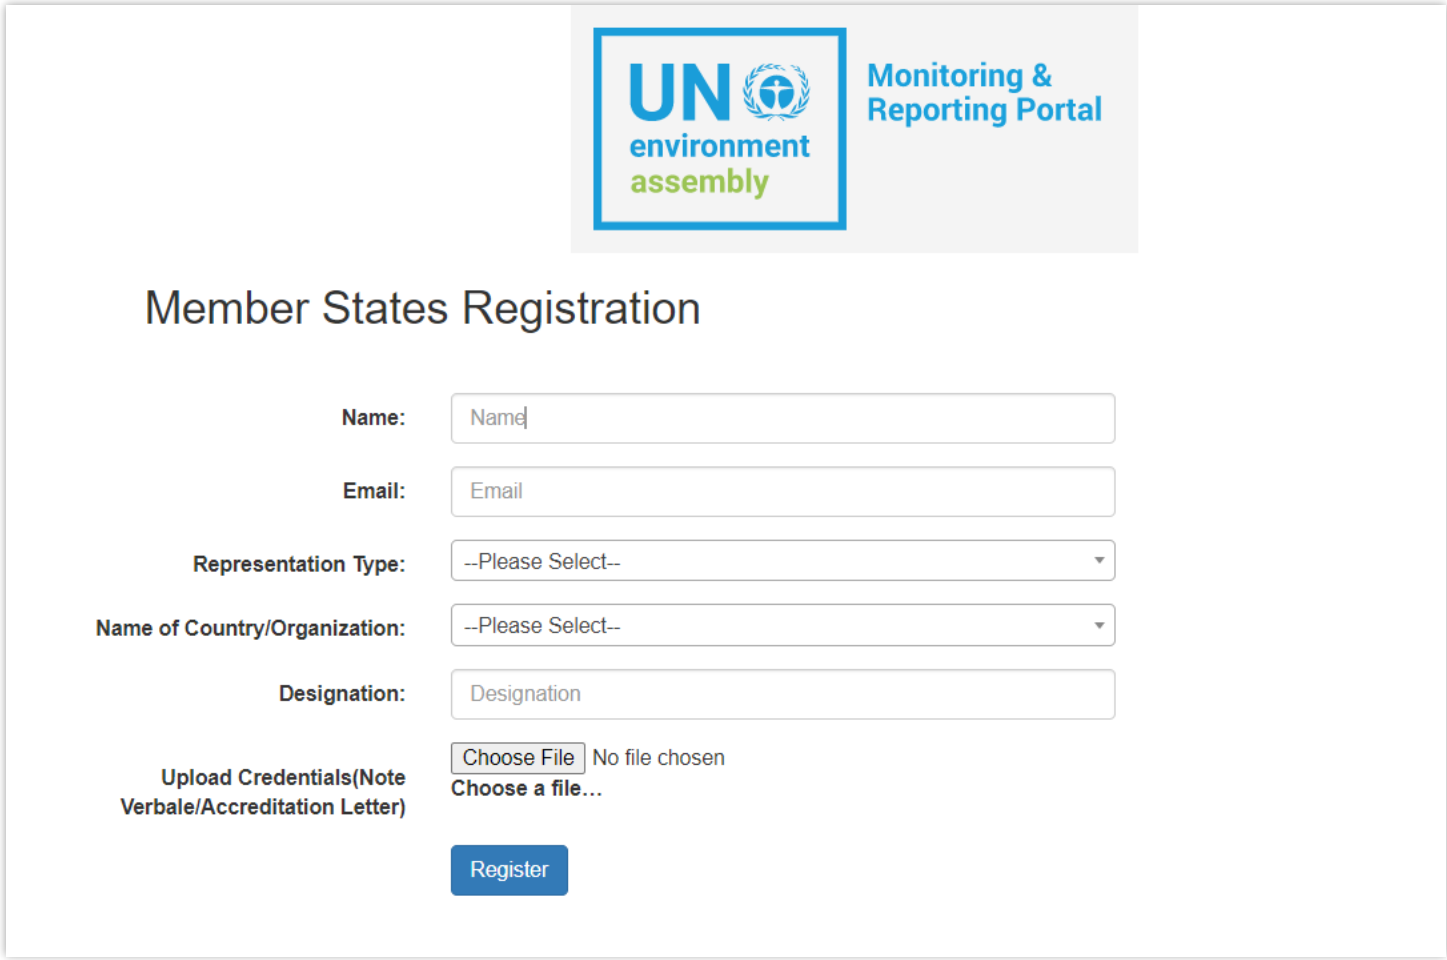
- Member States who wish to report on outcomes should send a Note Verbale to unea-monitoring-support@un.org. The note should include the names, emails and designation of the assigned reporting focal points.

- Users who already have access and wish to report can send a Note Verbale to unea-monitoring-support@un.org, confirming their roles as reporters for their delegation.

Registration Procedure

Registration Form

- The portal is publicly accessible. For reporting, you are required to log in.
- To access the registration form, use the link: unea.unep.org/monitoring/register.php
- This link is also available on the portal's login page.
- Please attach a Note Verbale indicating your role as a reporter.



UN environment programme

Registration Procedure

Next steps after registration

- You will receive an email from unenvironment.no-reply@un.org acknowledging the receipt of your submission.
- The portal support team will review your registration request and verify your credentials. You may be contacted in case any additional details are required.
- Once your registration is processed, you will receive confirmation from unea-monitoring-support@un.org with necessary instructions to login.

UN environment programme

UNEP Open Data Portal

- UNEA Outcomes and the corresponding reports are also published on the UNEP Open Data Portal (https://open.unep.org) which is publicly accessible.

- Reporting, however, remains restricted to ensure that only authorized focal points submit reports on behalf of their entities.
