UN Environment Assembly

**UNEA-6: Effective, inclusive and sustainable multilateral actions to tackle climate change, biodiversity loss and pollution**

The sixth session of the United Nations Environment Assembly (UNEA-6), to be held from 26 February to 1 March 2024 in Nairobi, Kenya, provides a center stage of environmental multilateralism and a reinvigorated leadership that can deliver timely, effective and inclusive actions. Faith for Earth coordinates faith-based interventions at UNEA through the Faith for Earth Dialogue.

2023 UNA-USA Annual Global Engagement Summit
It is important for US-based partners to engage and present a unified interfaith position for strengthening US-UN relationship for the SDGs. Themes:
- Maintain International Peace and Security
- Protect Human Rights
- Deliver Humanitarian Aid
- Support Sustainable Development and Climate Action
- Uphold International Law

Civil Society
Engaging Major Groups at the Regional Level
At UNEA 5.2, Major Groups requested for unified and meaningful approaches for engagement resulting in "UNEP Guidelines for Major Groups and Stakeholders Engagement at Ministerial Fora on the Environment and Other Intergovernmental Meetings at the Regional Level".
