

Invitation to the second session of the INC on plastic pollution

Dear Sir/Madam,

On behalf of Mrs. Jyoti Mathur-Filipp, Executive Secretary of the UNEP Secretariat of the Intergovernmental Negotiating Committee (INC), the UNEP INC Secretariat has the honour to transmit herewith an invitation to attend the second session of the intergovernmental negotiating committee to develop an international legally binding instrument on plastic pollution, including in the marine environment (INC-2), scheduled to take place at the UNESCO Headquarters, in Paris, France, from 29 May to 2 June 2023. The session will be preceded by regional consultations on 28 May 2023, at the same venue.

We would like to bring to your attention that due to space limitations in the venue (a maximum of 1500 delegates at any one time within the precinct of the meeting), all accredited organisations will be able to register up to five (5) representatives to participate as observers. In addition, please be informed that floating badges will be issued. More information on the same will be provided in the near future.

Further information is available on the INC webpage: <https://www.unep.org/events/conference/second-session-intergovernmental-negotiating-committee-develop-international>

The INC Secretariat remains at your disposal for any information as needed at unep-incplastic.secretariat@un.org.

We are looking forward to hosting you at INC-2.

Kind regards,
The UNEP INC Secretariat
