

Intergovernmental Consultations on Nature-based Solutions
Draft agenda for First Regional Consultations
June – July 2023
Online meeting

1. Opening of the meeting
2. Update on administrative and organizational matters
3. Issues to be addressed in the First Regional Consultations
4. Regional perspectives on Nature-based Solutions¹
5. Next steps
6. Close of the meeting

¹ Member States and Stakeholders are asked to limit their interventions / presentations to 3 minutes addressing one or more of the issues listed in the paper *Issues to be addressed in the First Regional Consultations on Nature-based Solutions*. These issues are grouped according to the three tasks. Member States and stakeholders will be invited to respond to these interventions as time allows.
