2. **REGISTRATION**

All information regarding registration is detailed under the Registration tab in the INC-3 webpage.

Representatives from States Members of the United Nations, members of United Nations specialized agencies and regional economic integration organizations are requested to register on INDICO through the link provided in the Annex A of the invitation letter from the Executive Secretary, dated 5 July 2023. The letter was circulated by the INC Secretariat on 6 July 2023 to nominated INC Focal Points, Permanent Missions accredited to UNEP and Ministries of Environment.

Nairobi-based delegates participating in the third session of the INC must be included in the nomination letter of the national delegation and are required to register online through INDICO.

Participants from all other registration categories, can register by accessing the links provided directly on the registration page, under each specific category of participation.

It is crucial that each delegate registers individually under the appropriate category and submits the requested information. Once the registration has been processed, an automatic INDICO email will be sent to the email address provided by delegates upon registration.

Please note that no registrations can be processed via email and all registrations must be submitted online via the INDICO registration system. Please be also informed that the registration process for INC-3 and the application for travel support to attend the session are two separate processes that require separate applications.

Registration for INC is open and the deadline for registration is 6 October 2023.

Queries related to registration should be addressed to unep-incplastic.registration@un.org.

All formalities regarding registration, including issuance of badges to duly nominated participants to attend the session, are free of charge.

3. **INC-3 BADGES**

An official INC-3 badge is needed to access the premises of the session. For security reasons, all participants are requested to always wear their badges visibly.

As indicated in the invitation letter, due to the size of the existing meeting rooms and depending on the number of attendees to INC-3, the INC Secretariat may need to establish a system for access to the Plenary Hall and other meeting rooms. Delegations will be informed accordingly once the registration deadline closes. In addition, based on security and safety reasons, should the number of registrations exceed the limit of the venue, delegations will also be informed accordingly.
Once pre-registered online, participants will receive a UN EVENT PASS via email, with a QR code. The presentation of the UN Event Pass and of a passport or valid identification card will be required to finalize the registration on-site and to collect the badge at the badging collection centre.

*More information on the location, dates and working hours of the badging centre will be made available in due course.*

Loss of a badge should be reported immediately to the badging centre.

4. **CREDENTIALS**

*The presentation of credentials* by representatives from States Members of the United Nations, members of United Nations specialized agencies and regional economic integration organizations *is not required* for the third session of the Intergovernmental Negotiating Committee.

The online submission of the documentation suffices.

5. **LIST OF PARTICIPANTS**

To facilitate the compilation of the List of Participants, delegations of States Members of the United Nations, members of United Nations specialized agencies, regional economic integration organisations and observer organizations are requested to submit a comprehensive list of the members of their respective delegations to the Secretariat, with the functional titles and designations of the delegates.

As per general practice, the provisional List of Participants will be circulated to delegations on the first day of the session. The final List of Participants will be made available on the meeting page after the closing of the session and will reflect those who attended INC-3.

The List of Participants will include the information provided during registration by Members and Observer organizations.

6. **TRAVEL SUPPORT**

   a. **Funding support for delegates from participating States**

To facilitate the participation of representatives from States Members of the United Nations and members of United Nations specialized agencies to INC-3, funding is available from the voluntary contributions made by donors to support the participation of a **maximum of two (2) delegates** from developing countries and countries with economies in transition.

*To apply,* the two delegates designated to receive financial support are requested to submit a dedicated online form through the second link provided to all delegations in the Annex A of the invitation letter from the Executive Secretary, dated 5 July 2023. Please be reminded that the registration for INC-3 and the application for travel support are two separate processes.
Before applying for travel support, delegates must be duly registered for INC-3, as the upload of the UN Event Pass will be required to request travel support. The deadline to apply for travel support is 25 August 2023.

For the necessary travel arrangements to comply with the United Nations rules and regulations, nominations for funding support after the deadline of 25 August cannot be guaranteed. Please be kindly reminded that the Secretariat is also not in a position to accommodate last minute changes or cancellations after a ticket has been issued as this results in financial loss.

Delegations are encouraged to nominate the INC focal points to receive funding support, when considered appropriate.

The funding will cover economy-class round-trip air tickets, as well as daily subsistence allowances (DSA) and terminal expenses in accordance with the United Nations rules and regulations.

The round-trip air tickets will be processed and issued directly by the INC Secretariat. The route for all official travel shall be the most economical route available for the applicable travel dates. The DSA comprises the total contribution of the INC Secretariat towards charges such as lodging, meals and other such payments made for services rendered during official travel. Funded delegates are thus responsible for making their hotel bookings.

Disbursement of the DSA will be made on-site, at the venue, via physical prepaid cards in US dollars. The schedule and venue for DSA disbursement will be announced upon arrival at the venue. Sponsored participants will be requested to present to the designated staff the original arrival boarding ticket and the physical travel identification document used to enter Kenya.

b. Funding support for participants from non-governmental organizations

To facilitate the participation of accredited observers from non-governmental organizations at the third session of the Intergovernmental Negotiating Committee (INC-3) the INC Secretariat is in the position to provide travel support for the participation of a total of 20 observers.

For more information on the application process and requirements please consult: Application for travel support for representatives from non-governmental organizations. Participants are advised to carefully read the guidelines before applying.

The deadline for application/recommendation has been extended until 09 August 2023, 11:59 p.m. (East Africa Time). Only duly registered participants that meet the funding criteria will be eligible to apply for travel support. Once selection is completed applicants will be informed via INDICO.
