		Questionnaires are frequently applied before and after training. We are not sure what can be done to measure enhanced institutional and technical capacity beyond training-based questionnaires. UNEP is looking into the issue regarding it's Programme of Work agenda and will likely engage experts to help us develop the approach.		
Expand/upscale UNDP and UNEP support beyond the NAP GSP II to build capacity that take national adaptation planning to the next level	Partially	<ul style="list-style-type: none"> - Expand in-country multi-year initiatives on national adaptation planning initiatives through the GCF readiness and other programmes. - Explore follow up global support programme on support to implementation and monitoring, evaluation and learning on NAPs. - Include sub-national vertical and horizontal integration of NAPs - Support access to resources (finance), incl. private sector engagement for NAP implementation - Strengthen governance, enhance synergies (e.g. DRR), adaptation budget tagging 	24 months	UNDP/UNEP
