

National Workshop on Climate Change and Disaster-related Statistics

31 October – 2 November 2023 From 8:30 to 16:30

Place: Avani Lesotho Hotel

Agenda

Tuesday, 31 October 2023		
Session 1: Opening and Introduction		Moderator: Director BOS
08:00 - 08:30	Registration	ALL
08:30 - 09:00	Welcome Remarks	Director of the Bureau
		of Statistics;
		Director the Disaster
		Management Authority;
		Director of the Lesotho
		Meteorological
		Services;
		Principal Secretary of
		the Ministry of Finance
		and Development
		Planning
09:00 - 09:20	Objectives and organization of the workshop	Session moderator
	Introduction of participants (10 mins)	
	Presentation of agenda (5 mins)	
	Q&A (5 mins)	
Session 2: International requirements and national experience in environment		Moderator:
and disaster-related statistics and policy		Mamosebetsi
		Hlongoane (BOS)
09:20 – 10:40	Introduction	
	Environment-related SDGs and Multilateral	Ekaterina Poleshchuk

		1
	Environmental Agreements (10 mins)	(UNEP)
	 UNFCCC and Paris Agreement (10 mins) 	Emil Ivanov (UNSD)
	 Sendai Framework for Disaster Risk Reduction (10 	Roberto Schiano
	mins)	Lomoriello (UNDRR)
	Presentation from UN World Food Programme	, ,
	Lesotho (10 mins)	UN WFP Lesotho
	Q&A (30 mins)	0.1.11.1. 200011.0
10:40 - 11:00	Coffee break	
11:00 - 12:50	Continuation of Session 2: Experience of Lesotho	
11.00 12.00	Disaster-related legislation and data requirement at	Ms. Tsepang Maama
	the national level (15 mins)	(DMA)
	State of Environment and Disaster-related statistics	Ms. Mantoa Mabele
	(15 mins)	(BOS)
	Panel discussion with the national focal points on UNFCCC,	Moderate by Ekaterina
	UNDRR and SDGs (60 mins)	Poleshchuk (UNEP),
	Three questions	National focal points:
		UNFCCC - France
		Mokoena,
		UNDRR - Retselisitsoe
		Molefe,
		SDGs - Nyefolo Seboka
	Q&A (20 mins)	
12:50 - 13:50	Lunch	
Session 3: Data collection, compilation of indicators and quality control Moderator:		
Session 3: Data	collection, compilation of indicators and quality control	Moderator:
Session 3: Data	collection, compilation of indicators and quality control	Moderator: Mamosebetsi
Session 3: Data	collection, compilation of indicators and quality control	
		Mamosebetsi
Session 3: Data (13:50 – 14:50	Introduction	Mamosebetsi Hlongoane (BOS)
	Introduction • Framework for Development of Environment	Mamosebetsi
	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins):	Mamosebetsi Hlongoane (BOS)
	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): ○ Data collection methods	Mamosebetsi Hlongoane (BOS)
	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics	Mamosebetsi Hlongoane (BOS)
	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation	Mamosebetsi Hlongoane (BOS)
13:50 - 14:50	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins)	Mamosebetsi Hlongoane (BOS)
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break	Mamosebetsi Hlongoane (BOS)
13:50 - 14:50	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break Continuation of Session 3:	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD)
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD) Ekaterina Poleshchuk
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break Continuation of Session 3: • Implementation tools (20 mins)	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD)
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break Continuation of Session 3:	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD) Ekaterina Poleshchuk
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break Continuation of Session 3: • Implementation tools (20 mins) Open discussion, country feedback (15 mins)	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD) Ekaterina Poleshchuk (UNEP) ALL
13:50 - 14:50 14:50 - 15:10	Introduction • Framework for Development of Environment Statistics (FDES) (45 mins): • Data collection methods • Compilation of statistics • Quality control and validation Q&A (15 mins) Coffee Break Continuation of Session 3: • Implementation tools (20 mins)	Mamosebetsi Hlongoane (BOS) Emil Ivanov (UNSD) Ekaterina Poleshchuk (UNEP) ALL Emil Ivanov (UNSD)

Session 4: Clima	ate Change Statistics: Overview of international statistical	Moderator:
frameworks and guidelines		Mamosebetsi
	3	Hlongoane (BOS)
08:30 - 10:50	Introduction	l mongoune (2 2 2)
10.00	Global Set on Climate Change Statistics and	Emil Ivanov (UNSD)
	Indicators (15 mins)	Limitanov (Greek)
	Linkages of the Global Set on Climate Change	Ekaterina Poleshchuk
	Statistics and Indicators with the other global	(UNEP)
	initiatives and frameworks (10 mins)	(OIVEI)
	Implementation Guidelines for the Global Set (10)	Emil Ivanov (UNSD)
	mins)	Litili Ivaliov (0140D)
	Q&A (10 mins)	ALL
	Introduction of the Climate Change Statistics and	Emil Ivanov (UNSD)
	Indicators Self-Assessment Tool (CISAT) (15 mins)	Litili Ivaliov (ONSD)
	Live Demo of assessing indicators (15 mins)	Emil Ivanov (UNSD)
	Panel discussion on Lesotho's readiness to provide Climate	Moderate by Ekaterina
	Change Statistics and Indicators based on the available	Poleshchuk (UNEP)
	tools (45 mins)	Folesticituk (ONLF)
	Three questions, 3 mins per answer	Machitja Raphoto
	Three questions, 5 mins per answer	(BOS), tbc. (LMS),
		tbc. (Ministry of
		Agriculture)
	00 A (10 mino)	ALL
	Q&A (10 mins)	ALL
	Preparation for an exercise to fill in the CISAT with national	
	information by splitting into two groups (10 mins)	
10:50 - 11:10	Coffee Break	
11:10 - 12:45	Continuation of Session 4:	
	Group work (60 mins)	ALL (5 groups)
	 Presenting and discussion of the results (25 mins) 	
	Q&A (10 mins)	
12:45 - 13:45	Lunch	
Session 5: Disas	ster-related Statistics: Overview of international statistical	Moderator:
frameworks and	l guidelines	Mojabeng Mohloki
		(DMA)
13:45 - 15:10	Introduction	
	 International experience in the field of Disaster- 	Ekaterina Poleshchuk
	related Statistics (5 mins)	(UNEP)
	 Disaster-related Statistics Framework (15 mins) 	Aneeshaa Choudhury
		(UNDRR)
	Q&A (10 mins)	
	The Sendai Framework for Disaster Risk Reduction	Roberto Schiano
	2015-2030 (20 mins):	Lomoriello (UNDRR)
	 Sendai Framework targets and indicators 	, ,
	and their links to the SDGs	
	 Sendai Framework monitoring: milestones, 	
	Sendai Framework monitoring: milestones,	

	roles and responsibilities, baseline data	
	 SFM getting familiar with the platform 	
	Q&A (15 mins)	
	 Eswatini experience on Disaster Risk Reduction (10 	Bonkhe Mchobokazi
	mins)	(DMA Eswatini)
	Q&A (10 mins)	
15:10 - 15:30	Coffee Break	
15:30 - 16:30	Continuation of Session 5:	
	Open discussion on Plans for use the National Platforms for	Moderator: Roberto
	Sendai Framework monitoring and reporting (30 mins)	Schiano Lomoriello
	Group activity: Identify actors and institutions for data	(UNDRR)
	collection and sharing (30 mins)	ALL
	Thursday, 2 November 2023	
	ter-related Statistics: Overview of international statistical	Moderator:
	guidelines (continuation)	
08:30 - 10:20	Continuation of Session 5:	
	Presentation of targets A & B indicators and data:	Roberto Schiano
	Data on mortality and affected people (relevant to	Lomoriello (UNDRR)
	Targets A & B of the Sendai Framework) (55 mins)	
	 Presentation Targets C&D indicators and data: Data 	Roberto Schiano
	on economic losses and disruptions of services and	Lomoriello (UNDRR)
	infrastructure (55 mins)	
10:20 - 10:40	Coffee Break	1
10:40 - 12:30	Continuation of session 5:	
	Q&A (20 mins)	
	Group activity on data collection and disaggregation (90	Moderator: Roberto
	mins)	Schiano Lomoriello
		(UNDRR)
12:30 - 13:30	Lunch	/
Session 6: Data	governance and available sources of scientific information to	Moderator:
support Climate	Change and Disaster-related statistics	
13:30 - 15:00	Introduction	
	Data ecosystem (infrastructures, governance, use)	Ekaterina Poleshchuk
	(15 mins)	(UNEP)
	Q&A (10 mins)	
	Legal agreement to ensure the sharing of data (10)	Ekaterina Poleshchuk
	mins)	(UNEP)
	Open discussion on data sharing mechanisms used in	ALL
	Lesotho (55 mins)	
15:00 - 15:20	Coffee Break	
Session 7: Conclusions and Recommendations		Moderator:
		Ekaterina Poleshchuk
		(UNEP)
15:20 - 16:30	Discussing recommendations and next steps to	Ekaterina Poleshchuk
	advance climate change and disaster-related	(UNEP), Emil Ivanov
	advance officing and aloaster related	(STALL), LITHI IVALION

statistics in Lesotho	(UNSD), Roberto
 Support materials and key documents for climate 	Schiano Lomoriello
change and disaster-related statistics	(UNDRR)
 Feedback on the workshop 	ALL
Closing remarks
