The Minister

February 26<sup>th</sup>, 2024

Excellency,

Reference is made to my letter dated 15 February 2024, in which I shared a "revised final draft" of the ministerial declaration of the sixth session of the United Nations Environment Assembly (UNEA-6).

I would like to thank His Excellency Mr. Abderrazzak Laassel, Ambassador and Permanent Representative of Morocco in Nairobi, for conducting the informal consultation on the revised draft ministerial declaration on 22 February 2024 in the margins of the sixth meeting of the Open-ended Committee of Permanent Representatives. I am grateful for the guidance and direction provided by delegations in the course of this consultation.

Further to this consultation, I am pleased to circulate the **revised final draft** ministerial declaration of the sixth session of the United Nations Environment Assembly, which I hope can enjoy broad support. I have strived to incorporate your views and perspectives into a balanced draft guided by our shared commitment to a concise and action-oriented ministerial declaration that enjoys broad consensus.

As per past practice, the Presidency will consult with their Excellencies the Ministers and will finalize the text of the draft ministerial declaration, for adoption during UNEA-6.

I count on your continued positive engagement and trust as we strive together to bring our consultations to a successful conclusion.

Please accept, Excellency, the assurances of my highest consideration.

**Dr. Leila Benali**  
President of the United Nations  
Environment Assembly
