

Dear President,

We are delighted to announce that the Kingdom of Saudi Arabia has submitted a draft resolution on February 29, 2024, titled "Strengthening International Efforts to Combat Desertification and Land Degradation, Restore Degraded Land, Promote Land Conservation and Sustainable Land Management, Contribute to Land Degradation Neutrality, and Enhance Drought Resilience" for consideration during the closing plenary of the United Nations Environment Assembly's sixth session.

Moreover, we would like to take this opportunity to express our sincere appreciation to the Presidency, member states, the Secretariat, and all individuals involved in ensuring the success of UNEA-6. The collective efforts and dedication of everyone have played a pivotal role in making this session impactful and fruitful.

Once again, we would like to convey our heartfelt gratitude for the opportunity to contribute to UNEA-6 and for your consideration.
