Meals

WOAH will cover coffee/tea breaks, lunches, and 1 gala dinner for all participants. Austria will host a Gala dinner for all participants.

Any meal not foreseen in the programme shall be covered by the participants themselves.

Participants will have to pay any additional costs for goods or services not directly covered by the organisers.

Insurance

Participants themselves are responsible for arranging international insurance (life/medical/travel), or for costs resulting from any illness, accident and/or loss which may occur during travel and/or training attendance.

Public transport in Vienna

Public transport in Vienna is well developed and very reasonably priced (e.g a yearly ticket costs 365 EUR!) and operates almost 20 hours a day. It is run by the “Wiener Linien”.

Operating hours:

- Underground trains run daily from around 5 a.m. to around midnight
- Trams and buses usually end their service a little earlier
- Detailed information can be found under **Timetables, Network maps - Wiener Linien**
- The Vienna underground lines operate 24 hours a day on Friday nights, Saturday nights and the nights before public holidays. Trains run at 15-minute intervals.
- The night buses run daily from approx. 0.30 - 5.00 a.m. at 30-minute intervals. The timetables for the Nightline can be found at **Timetables, Network maps - Wiener Linien**
- You can use the night buses and the S-Bahn in the Vienna city area with all **Wiener Linien tickets** and, of course, with the **Vienna City Card**.

Language

German is spoken in Austria, and the most commonly spoken foreign language is English.

Units of measure

The metric system is used in Austria. **The most important weights and measures:**

Metric = Great Britain / USA

1 gram (g) = 0.0353 ounces
1 kilo(gram) (kg) = 2.204 pounds
1 centimeter (cm) = 0.393 inches
1 meter (m) = 3.281 feet / 1.093 yards
1 kilometer (km) = 0.621 miles

Great Britain / USA = Metric

1 US pint (pt) = 0.473 liters
1 UK pint (pt) = 0.568 liters
1 US gallon (gal) = 3.785 liters
1 UK gallon (gal) = 4.456 liters

Climate and temperature

Vienna has a mild continental climate. Even if the occasional winter day is icy and some days in high summer can bring sweltering heat to the palaces of the old city, most days of the year the weather matches the residents of the city: friendly, mild and moderate in every respect ...

Emergency numbers

In case the worst should happen, here are the most important telephone numbers in Vienna.
