

12 December 2024

Excellency,

I am pleased to inform you that, pursuant to the United Nations Environment Assembly decision 6/7 of 1 March 2023, the Bureau of the seventh session of the Environment Assembly (UNEA-7) at a joint meeting of the Bureaux of UNEA and the Committee of Permanent Representative held on 11 December, has defined a theme for the seventh session of the Environment Assembly, which reads as follows:

**“Advancing sustainable solutions for a resilient planet”.**

I would like to thank the members of the UNEA and CPR Bureaux, Member States and observers, including the major groups and stakeholders, for their constructive engagement and important contribution throughout the informal consultations on the theme, which has laid a strong foundation for an ambitious seventh session of the Environment Assembly and a concise and action-oriented ministerial declaration.

I count on your support and commitment to deliver a successful and impactful seventh session of the Environment Assembly, which will take place at the headquarters of the United Nations Environment Programme in Nairobi from 8 to 12 December 2025, to advance the global environmental agenda, as guided by the theme of the session.

I look forward to a fruitful year of preparations for a successful seventh session of the Environment Assembly.

Please accept, Excellency, the assurances of my highest consideration.

H. E. Mr. Abdullah Bin Ali Al-Amri  
President of the United Nations  
Environment Assembly

To:  
Ministers responsible for the Environment  
Members of the Committee of Permanent Representatives  
Major Groups and Stakeholders
