

– Provisional Agenda –

Second meeting of Workstream 2 Task Team for the development of the “high-level indicator on the global environmental burden attributable to chemicals and waste” under the Global Framework on Chemicals

Date: 23 January 2025, from 13h00 to 14h30 CET

Location: Online ([click here](#) to register for the meeting)

Objectives:

- Provide an update on the work of the open-ended ad hoc group on measurability and indicators
- Further discuss the scope of the high level indicator on the global environmental burden attributable to chemicals and waste, building on contributions from the task team
- Further consider the elements constituting the high level indicator, existing available information and potential gaps
- Exchange on next steps in constructing the high level indicator
- Discuss any other business
