**PRELIMINARY DECLARATION**

Regarding the Proposals for inclusion in the SPAMI List to be made in accordance with the paragraphs "b" and "c" of Article 9 of the Protocol, the Contracting Parties could consider making individually or jointly a preliminary declaration stating their intention to conduct consultation processes with the neighbouring Parties concerned with a view to prepare the Presentation Report.

For the preliminary declaration of intention, the Contracting Party/ies would not have to present a complete Presentation Report, only the following information shall be provided to RAC/SPA:

- Name of the area
- Geographic location (please provide a map showing the geographical location of the area. It is implied at this stage that the geographic location is not yet the precise determination of the boundaries of the proposed area)
- Approximate surface area
- Legal status (with a general indication of the kind of measures that would be appropriate for the area)

Such preliminary declaration would allow to get opinions and any possible reactions from other Parties on the SPAMI proposal project and would serve as an invitation to the neighbouring Parties concerned for getting involved in the necessary consultation. Through this declaration, the Contracting Party may as appropriate request RAC/SPA and Secretariat assistance to facilitate the consultation process including with relevant international or regional organisations.
