## MEDITERRANEAN ACTION PLAN

Meeting of the MAP Focal Points

Athens, Greece, 28 November – 1 December 2011

### **Financial implementation of MAP Programme and budget: Project accounts for the 2008-2009 biennium**

---

UNEP/MAP  
Athens, 2011

## **FINANCIAL IMPLEMENTATION OF MAP PROGRAMME AND BUDGET**

### **Introduction**

The Contracting Parties to the Barcelona Convention decided, at their Eleventh Meeting (Malta, October 1999), to "continue the process of the program assessment ----- to be applied to all MAP structures and activities, including statement of accounts". Also, in conformity with the request by the Meeting of MAP Focal Points (Athens, September 2001) for the Secretariat to submit "Statements for MAP's income and expenditure for the most recently completed biennium", which in this case was 2008-2009, the respective status and final accounts for each of the MAP components are presented below.

These relate to the Mediterranean Trust Fund that receives assessed and earmarked contributions from the Contracting Parties, the voluntary contributions from European Commission, the host country (Greece) and UNEP Headquarters.

The implementation of MAP work program as approved by the Contracting Parties benefits also from various in kind contributions and the organization of cost shared meetings. Moreover, several activities receive substantial support through projects prepared by MAP components and submitted to funding agencies, usually the European Commission. These additional amounts do appear in the accounts and do have an important impact on the implementation of several activities.

#### **1. Programme and Budget for the 2008-2009 biennium**

The 2008-2009 budget accounts are the certified financial costs as per closure of projects at UNEP/UNON Headquarters. These accounts are attached in the first part of this report.

#### **2. MTF Fund Balance 1994-2009 (in USD)**

A statement of Income and Expenditure and Changes in Reserve and Fund Balance for the years 1994-2009 (in USD) is presented in the second part of this report. The information is based on the annual audited UNEP financial statements.
