MEDITERRANEAN ACTION PLAN

Meeting of the MAP Focal Points

Athens, Greece, 28 November – 1 December 2011

Draft decision on Reporting on measures taken to implement the Convention and its Protocols and Reporting Format on ICZM Protocol

Draft Decision

**on Reporting on measures taken to implement the Convention and its Protocols
and
Reporting Format on ICZM Protocol**

The 17th Meeting of the Contracting Parties,

Recalling Articles 26 and 27 of the Barcelona Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean as amended in Barcelona in 1995, herein after referred to as the Barcelona Convention, also the relevant articles of the Protocols to the Barcelona Convention providing for reporting obligations on their implementation,

Appreciating in that respect the progress achieved with regard to the enter into force of MAP legal instruments and in particular the ICZM and Off-shore protocols and noting the urgent need for one additional adoption of amendments for the enter into force of the amendments to the Dumping Protocol bringing all MAP legal instruments and amendments into force,

Noting with concern that five Contracting Parties have not submitted biannual reports on measures taken for the implementation of the Convention and its Protocols and that some of the reports were not received on time,

Noting the increased number of Contracting Parties for which the Barcelona Convention and its Protocols are in force and urging the remaining Contracting Parties to ratify as soon as possible,

Recalling Decision IG 17/18 of the 15th Meeting of the Contracting Parties that requested the Coordinating Unit and PAP/RAC to develop a reporting format for the implementation of the ICZM Protocol on measures taken by the Contracting Parties to implement the Convention and its Protocols as well as the decisions of the meetings of the Contracting Parties,

Recalling Decision 17/3 of the 15th Meeting of the Contracting Parties that requested the Secretariat, based on information emerging from the reporting mechanism, to prepare a report to every Meeting of Contracting Parties describing the overall situation regarding legislative and institutional progress in the region,

Welcoming the participation of UNEP/MAP - Barcelona Convention in the United Nations Information Portal on Multilateral Environmental Agreement (InforMEA) which provides a search facility across MEA COP decisions, news, events, national focal points, and – soon to come –national reports and implementation plans,

Decides

to adopt the reporting format for the ICZM Protocol implementation as presented in the Annex to the present decision.

The 17th meeting of the Contracting Parties also

Invites the Contracting Parties to complete the ICZM Protocol reporting format by 2012 at the latest with the view to creating the necessary information baseline from which the progress of the implementation of the Protocol will be measured in the future,

Urges INFO/RAC to revise and make urgently available an amended and more user-friendly on line reporting format aligned with InforMEA, which provides a search facility across MEA COP decisions, news, events, national focal points, and – soon to come –national reports and implementation plans.

Requests the Contracting Parties to complete the reporting formats for the Convention and its Protocols for the biennium 2010-2011 as early as possible and submit them by September 2012 at the latest,

Requests the Coordinating Unit to provide, subject to availability of funds, support to Contracting Parties with the view to enabling them to submit complete reports in a timely manner on measures for the implementation of all MAP legal instruments,

Request the Coordinating Unit to undertake an analysis of information provided in the national reports in order to draw up a report describing the overall situation regarding legislative and institutional progress in the region towards implementation of the Convention and its Protocols and suggest as appropriate further measures and present the report to the 18th meeting of the Contracting Parties.

Draft Format on the implementation of the ICZM Protocol
