

# ELEPHANTS

**Location:**

Sub-saharan Africa and Asia

*Gardeners of the forest  
and savannas*

*Help bring income and jobs  
to tourism sector*

Between 2010-2013 approximately 120,000 African elephants were killed out of a population of less than 500,000

If piled one on another the bodies would reach the international space station

2/3 of forest elephants have disappeared in the last decade
