D. Credentials

14. In accordance with rule 17, paragraph 2, of the rules of procedure of the Council, the Bureau examined the credentials of the delegations attending the fourteenth session. The Bureau found the credentials in order and so reported to the Council, which approved the Bureau's report at the 7th meeting of the session, on 18 March.

E. Agenda

15. At the opening meeting of the session, the Council adopted the following agenda on the basis of the revised provisional agenda by the Executive Director (UNEP/GCSS.I/1/Re.1):

1. Opening of the session.
2. Adoption of the agenda and organization of work.

4. System-wide medium-term environment programme (1990-1995) and the medium-term plan of the United Nations Environment Programme for the period 1990-1995.
5. Proposed revisions to chapter 12 ("Environment") of the current United Nations medium-term plan.
6. Adoption of the report.
7. Closure of the session.

16. The spokesman of the Latin American and Caribbean Group said that his group had no difficulty with the three topics proposed under items 4 and 5 of the agenda, but felt that since the Governing Council at its fourteenth session and the United Nations General Assembly at its forty-second session had approved the items "System-wide medium-term environment programme (1990-1995)" and "Revisions to the global programme on the environment of the extended United Nations medium-term plan for the period 1984-1989" for the current special session, those two topics should be discussed first, after which the medium-term plan of the United Nations Environment Programme for the period 1990-1995 could be considered, within the time available at the session.

F. Organization of the work of the session

17. At the opening meeting of the session, the Governing Council considered and approved the organization of the work of the session in the light of the suggestions made by the secretariat in the annotations to the revised provisional agenda and the timetable of meetings suggested by the Executive Director (UNEP/GCSS.I/1/Rev.1/Add.1).

18. The Council also decided to establish an informal, open-ended drafting group under the chairmanship of Ms. D. Protsenk (Ukrainian SSR), with a core membership of two representatives from each regional group, in order to reach agreement on revisions or amendments to the system-wide medium-term environment programme (UNEP/GCSS.I/2 and Corr.1 and 2), the proposed medium-term plan of the United Nations Environment Programme (UNEP/GCSS.I/3 and Corr.1), and the proposed revisions to chapter 12 ("Environment") of the extended United Nations medium term plan for the period 1984-1989 (UNEP/GCSS.I/4, annex), and in order to seek consensus on draft decisions before they were formally considered by the Council.

19. At the 6th meeting of the session, the Council decided that, in view of the heavy work-load before the drafting group, it would establish another open-ended drafting group, under the chairmanship of the President of the Council, to perform the second function entrusted to the drafting group that had been established at the opening meeting, i.e. to seek consensus on draft decisions before their submission to plenary for formal consideration. The drafting set up at the 1st meeting would continue to seek agreement on revisions or amendments to the system-wide medium-term environment programme, the proposed medium-term plan of the United Nations Environment Programme, and the proposed revisions to chapter 12 of the United Nations medium-term plan.

G. Introductory statement by the Executive Director

20.
