

AFRICA CLEAN MOBILITY WEEK 2018

12-16 March 2018, Conference Room 3
UN Environment Headquarters- Nairobi Kenya

Monday, 12 March 2018 The GLOBAL FUEL ECONOMY INITIATIVE (GFEI)		
08:30 - 09:00	Registration	
09:00 - 09:15	Welcome and Objectives	UN Environment
09:15 - 09:30	The Global Fuel Economy Initiative – Updates and Activities	FIA Foundation
Session 1: Developing Fuel Economy Baseline and Trends		
09:30 - 09:45	Current Global Fuel Economy Levels and Projections	International Energy Agency
09:45 - 10:00	Overview of National Fuel Economy Baseline and Trends	UN Environment
10:00 - 10:30	Discussions	
10:30 - 11:00 Coffee Break		
11:00 - 13:00	Panel Session: Experience of African Countries in Developing Fuel Economy Baselines and Trends <ul style="list-style-type: none"> ❖ North Africa ❖ West Africa ❖ East Africa ❖ South Africa Discussions	CEDARE Egypt Ghana Uganda Botswana
13:00 - 14:00 Lunch and Group Photo		
Session 2: Assessing Policy Choices and Target Setting		
14:00 - 14:30	Fuel Economy Policy Options and Target Setting	International Council on Clean Transportation
14:30 - 15:30	Panel Session: Development of Fuel Economy Policies <ul style="list-style-type: none"> ❖ Ethiopia ❖ Mauritius Discussions	Ethiopia Mauritius
15:30 - 16:00	Fuel Economy Policy Impact Tool	UN Environment
16:00 - 16:30	Fuel Economy Policy Impact Tool Case Study 1 – Kenya	University of Nairobi

Tuesday, 13 March 2018 The GLOBAL FUEL ECONOMY INITIATIVE (GFEI)		
09:00 - 09:15	Summary of Day 1 and Overview of Day 2	Moderator
09:15 - 09:30	Fuel Economy Policy Impact Tool Case Study 2 – Uganda	Makerere University
09:30 - 10:00	Discussions	
Session 3: Developing Fiscal Policies		
10:00 - 10:30	Developing Fuel Economy Fiscal Policies	University of California -Davis
10:30 - 11:00 Coffee Break		
11:00 - 11:30	Practical Examples of Fuel Economy Policies	China
11:30 - 12:00	Fiscal Policy Case Study – Carbon Tax	South Africa
12:00 - 12:30	Discussions	
12:30 - 14:00 Lunch		
Session 4: Integrating Electric Vehicles and Heavy-Duty Vehicles		
14:00 - 15:00	Advancing Improvements in Fuel Economy ❖ Heavy Duty Vehicles ❖ Electric Vehicles	International Energy Agency
15:00 - 16:00	Panel Session: Financing Mechanisms to Support Fuel Economy Vehicle Uptake ❖ Global Environment Fund (GEF) 7 ❖ Green Climate Fund (GCF) ❖ Low-interest loans	GEF Coordinator GCF Coordinator Ethiopia
16:00 - 17:00	Discussions and Next Steps	Moderator's Summary

Wednesday, 14 March 2018 AFRICA CLEAN MOBILITY PRIORITY ACTION AREAS: DAY 3 - 5		
08:30 - 09:00	Registration	
09:00 - 09:40	<p>Opening Address <i>Vision and program of the Africa Clean Mobility Week priority areas</i></p> <p>The Clean Mobility Agenda for Africa <i>The reality of clean mobility in Africa and future revolutions</i></p>	<p>UN Environment</p> <p>UN Environment</p>
ADVANCING ELECTRIC MOBILITY IN AFRICA		
09:40 - 10:00	Electric Vehicles - International Trends	University of California -Davis
10:00 - 10:15	UN Environment Electric Mobility Program	UN Environment
