

**Capacity Building:
Do you want to become a trainer
on UNEA, lobbying and other
skills?**

Thursday 14th March

Green Tent

10:30 to 1:30pm

By invitation only (30 places)

This is the SECOND workshop. The first is on Wednesday at the same time same place. To attend this there is a form to fill in and administered by Mohamed Abdelraouf mhdraouf@yahoo.com There are ONLY 30 places for this workshop.

The workshop will be conducted by

- **Felix Dodds**, Adjunct Professor at the University of North Carolina and
- **Jan Gustav Strandenaes**, Senior Advisor on Governance for Stakeholder Forum

and facilitated by **Mohamed Abdelraouf**

This second workshop will be very interactive and will focus on the following issues:

- UNEA and UNEP
- Attending MEA Meetings
- Working with the Media
- Medium Term Strategy & Programme of Work
- Multi-Stakeholder Partnership
- Conclusion: Next steps

This is a workshop for people who will then organize a workshop in their own country in the next six months on what they have learned. It is **NOT** a workshop for those who only want to learn for themselves. We hope out of this to create a Capacity Building Network which will help engage stakeholders in helping to deliver the UNEP Medium Term Strategy and Programme of Work **AS WELL** as learning more on how to lobby.
