UNEA 4

CIVIL SOCIETY AND PRIVATE SECTOR ENGAGEMENT

THINK
BEYOND

LIVE
WITHIN

917 civil society actors participated at UNEA

- 57% of from accredited organizations; 43% from non-accredited
- UNEA 4 attracted new stakeholders such as faith groups, plastic pollution/marine litter NGOs and SCP-focused groups
- Majority of NGOs from the African region, followed by Europe and North America

#SolveDifferent

Civil Society online UNEA 4 survey - key conclusions:

- UNEA considered an ideal networking platform – but too many events taking place in parallel
- Most appreciated events: Green Tent, Marine Litter events, Faith events
- Call for improved opportunities to engage with UNEA in a meaningful and proactive way, including through timely speaking slots
- Call for measurable targets to be agreed and for information on implementation status of UNEA resolutions
- A majority (293 responses out of 315) considered that their participation in CPR meetings was not effective

The Sustainable Innovation Expo

- The UNEA 4 Sustainable Innovation Expo focused on *Eco-Innovation and Sustainable Financing*, with two platforms:
 - SIE interactive dialogues with 9 Panel Discussions, 3 Pop-up Chats, and 5 Side Events
 - SIE exhibits with 46 companies showcasing innovative solutions to environmental challenges and sustainable consumption and production
- The Expo convened businesses, governmental bodies and civil society to find solutions, nurture partnerships, and help implement the SDGs
- The Expo provided a space for all participants to network and share best practices
- SIE exhibits and panels were mapped to support the political outcomes of UNEA 4
- Over 500 private sector participants were present during UNEA 4.
