

Global Alliance to Eliminate Lead Paint/Lead Paint Alliance (LPA)

Advisory Council Meeting

Wednesday 6 November 2019, 13:30 – 15:30 Geneva Time

Skype Meeting (link to be provided)

DRAFT Provisional Agenda

1. Opening of the meeting (UNEP, WHO)

The meeting will be opened by UNEP and WHO as co-secretariats of the Lead Paint Alliance, followed by welcome remarks by the United States Environmental Protection Agency (USEPA), Chair of the Lead Paint Alliance Advisory Council. The Chair will elaborate on the purpose of the meeting and recent progress and will ask participants to introduce themselves.

2. Organizational matters

- a) Adoption of the agenda (Chair)
The Lead Paint Alliance Advisory Council will be asked to adopt the agenda for the meeting on the basis of the provisional agenda or to propose any additional items.
- b) Organization of work (Chair)
The Chair will outline how the meeting of this Advisory Council is organized.

3. Review of progress in implementing the Business Plan of the Global Alliance

- a) Report out by Advisory Council members on progress under the 4 areas of action of the 2019–2020 Action Plan (Advisory Council members)
Members of the Advisory Council are invited to report back on their key activities carried out within the previous 6 months, and the results and outcomes in relation to the Lead Paint Alliance Action Plan 2019–2020
- b) New partners in 2019
Ten new partners were accepted in 2019 (4 governments, one IGO and 5 NGOs)
- c) Report of ILPPW 2019 (WHO)
WHO will report on the highlights of International Lead Poisoning Prevention Week 2019
- d) Status of pending laws
 - i. Updating the WHO Global Health Observatory (WHO)
WHO will report on activities to update the WHO database of lead paint laws.
 - ii. Overview / Global Status Report 2019 (Chair)
The Chair will report on the key points presented in the updated Global Status Report.

4. Projects and Activities

- a) SAICM GEF project lead paint component
 - i. Overall project progress to date (UNEP)
The SAICM GEF project commenced in January 2019 and UNEP will provide an update on progress to date.
 - ii. Regional activities (UNEP, WHO)
All four planned regional workshops have taken place. UNEP, WHO, IPEN, ABA ROLI and USEPA will provide some reflections on the workshops and will give a summary of regional activities to date.
 - iii. Central and Eastern Europe Sub-Regional workshop (USEPA)
USEPA will provide a summary of the sub-regional workshop held in Tbilisi
 - iv. SME Support activities (UNEP, IPEN and IPPIC)
UNEP and Lead Paint Alliance partners will describe activities to support SMEs in changing their paint formulations to avoid the use of lead.
- b) Communication and outreach
 - i. Website and newsletter (UNEP, WHO, EPA)
Information will be provided on updates to the LPA website, the newsletter and an information document for ministries of health on lead paint.
 - ii. Webinars (USEPA)
Some countries expressed the need to have information on lead paint testing and laboratories, lead paint reformulation and the Model Law.

6. Any other business (All)

Any additional items raised by Council members will be discussed here.

7. Closure of the meeting (Chair)
