**SUBJECT:** MINISTERIAL DECLARATION FOR THE FIFTH UNITED  
NATIONS ASSEMBLY.

Pursuant to your letter referenced 19/1039 of 24<sup>th</sup> April 2020 expressing the intention to start the process for the preparation of the Ministerial declaration for the fifth United Nations Environment Assembly, in which you request members to submit written input to inform a first outline to be shared ahead of the joint meeting of the bureau for the Environment Assembly and the Committee of Permanent Representatives scheduled to take place from 9<sup>th</sup>-10<sup>th</sup> June 2020,

I have the honour to submit Cameroon's input which if taken due consideration of could potentially impact the current narrative thereby eliciting the much needed paradigm shift towards relevant transformative changes that should lead to a significant reduction in the loss of biodiversity and boost ecosystems restoration and ecosystems services which are fundamental for the achievement of the Sustainable Development Goals related to nature and human wellbeing.

Attached: 01 Copy of Cameroon's declaration.

HELE Pierre
