Act #ForNature

A global online forum to support actions for nature to achieve the Sustainable Development Goals

About

The Act#ForNature forum is the first global consultation in support of the 5th Session of the world's highest-level decision-making body on the environment – the UN Environment Assembly – which will be held at the United Nations Environment Programme Headquarters in Nairobi, Kenya in February 2021. The forum will be convened under the leadership of Mr. Sveinung Rotevatn, President of the UN Environment Assembly and Minister of Climate and Environment of Norway, and Ms. Inger Andersen, Under Secretary-General of the United Nations and Executive Director of the UN Environment Programme (UNEP).
