

Norwegian written inputs to the three draft decisions for the online session of UNEA-5

Draft Elements for a decision on the adjournment and resumption of the fifth session of the United Nations Environment Assembly

Preambular paragraph 2: Recalling the theme for the fifth session of the United Nation's Environment Assembly; “Strengthening Actions for Nature to Achieve the Sustainable Development Goals”;

OP3: Suggest to include Major Groups and Stakeholders. Norway agrees with the suggestion by several delegations at 153. CPR to further clarify this paragraph.

OP5: Suggest paragraph to be more consistent with the wording of 73/333.

OP9: Norway sees great benefit in clear direction as to how to ensure strong ownership from the host country for UNEP, as well as the African Group, including the incoming UNEA-6 president in the organisation of the UNEP@50 commemoration, while also respecting the mandate from the UNEA-4 resolution that the ED continue her consultations on the UNEP@50 commemorations.
