Dear Head of UNEP Chemicals,

As a member of several technical groups for Mercury Management issues commissioned by the Ministry of the Environment Japan, I have been collecting and organizing information on the UNEP proposal.

I would like to contribute to the following area of partnership:

➤ **Mercury waste management**

Detailed objectives of my commitment to the partnership are as follows:

- 1. International Research Collaboration on Mercury Waste Management**
- 2. Developing collaborative system in this area**

Sincerely,

Dr. Misuzu Asari
