

MGS resolutions focal points

As of 13 February 2024

At the discretion of the Chair and the co-facilitators, and subject to agreement by Member States, representatives of Major Groups and Stakeholders accredited to UNEP and its governing bodies may attend and listen to the proceedings and at the discretion of the co-facilitators may also make general statements typically at the end of the consideration of a specific draft resolution when Member States have exhausted their interventions.

Should an accredited Major Group and/or Stakeholder wish to make a concrete textual proposal, the Group should be encouraged to do so through a Member State. General comments on the drafts from accredited Major Groups and Stakeholders may be posted on the [UNEA-6 Resolution Portal](#).
