

KUNMING BIODIVERSITY FUND

Liu Ning

Deputy Director General, Deputy Representative of CBD COP15 President

Ministry of Ecology and Environment (MEE), China

January 23-25, 2024 Bern

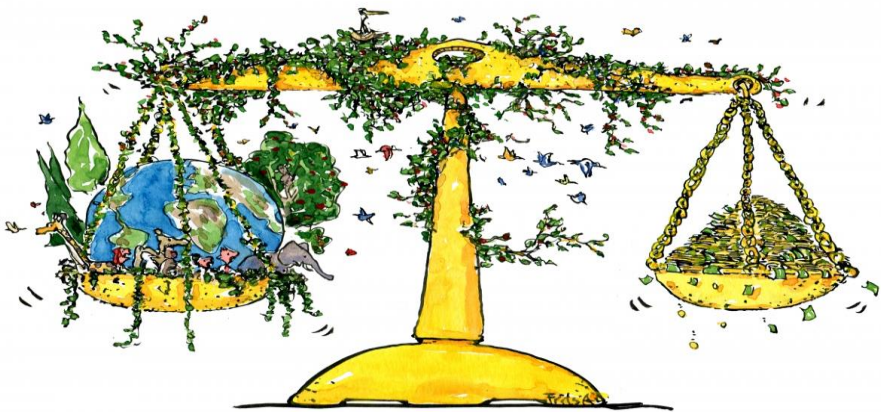

2. Promoting the participation of all stakeholders in creating synergies for biodiversity governance

Kunming Biodiversity Fund

- In October 2021, President Xi Jinping announced that "China will take the lead in investing **1.5 billion yuan** to **establish the Kunming Biodiversity Fund** to support biodiversity conservation in developing countries;
- In December 2022, President Xi Jinping emphasized again to **give the Kunming Biodiversity Fund full play** to provide support and assistance to fellow developing countries;
- The Fund is an international one in favor of multilateralism, strengthens cooperation with international organizations, promotes **synergies with GEF and KMGBF-Fund**.

Thanks!
