Dear Head of UNEP Chemicals,

**RE: APPLICATION FOR INDIVIDUAL PARTNER - UNEP GLOBAL MERCURY
PARTNERSHIP**

As a National Focal Point for the Minamata Convention on Mercury; former member to the Governing Board of the Specific International Programme for the Minamata Convention on Mercury and Ad Hoc Group of Experts on Review of Annexes A and B of the Minamata Convention on Mercury; member of technical groups for Mercury management issues commissioned by the National Environment Management Authority and Non-Government Organizations in Uganda.

I would like to contribute to the following area of partnership:

❖ **Artisanal and small-scale gold mining (ASGM)**

Detailed objectives of my commitment to the partnership are as follows:

- 1. Strengthening collaborations and building partnerships in the formalization of Artisanal and small-scale gold mining sector**
- 2. Promoting best environmental practices at ASGM sites**
- 3. Promoting synergies including implementing whole of Government whole of society approach in ensuring ASGM sustainability and biodiversity conservation**

Sincerely,

Anne Lilian Nakafeero
Principal Environment Officer -Biodiversity Management/National Focal Point
National Environment Management Authority
