MEDITERRANEAN ACTION PLAN

Fifth Ordinary Meeting of the Contracting Parties
to the Convention for the protection of the
Mediterranean Sea against pollution and its related
protocols

Athens, 7-11 September 1987

DRAFT PROGRAMME CALENDAR
1986 - 1995

Draft Programme Calendar
1986-1995

1. During the Fourth Ordinary Meeting of the Contracting Parties to the Barcelona Convention (Genoa, September 1985), the secretariat proposed a draft programme calendar for the period 1986-1995. Some participants emphasized the importance of this programme due to the fact that it contained specific targets to be achieved by certain dates.
2. The meeting requested the secretariat to circulate the draft programme calendar to the member countries for comments and invited the Bureau of the Contracting Parties to discuss it before further action was taken.
3. During its first meeting in 1986, Madrid, 20 March, the Bureau discussed and took note of the first draft programme calendar 1986-1995, and suggested that countries members of the Bureau review the calendar and submit their observations to the secretariat within a period of two months.
4. The secretariat received these observations and made the necessary revision to the programme calendar by incorporating the observations and improving the presentation of the calendar. The new version was sent to the Contracting Parties on 20 August for their comments and was reviewed by the Bureau at its meeting in Madrid, 11 September 1986.
5. The Bureau took note of the new version of the programme calendar and decided to discuss the issue again at its next meeting, after the Contracting Parties had made their observations.
6. The secretariat sent another reminder to the Contracting Parties on 23 September 1986, urging them to send their observations on the programme calendar. Other than the members of the Bureau, only one further response was received.
7. At its meeting in Istanbul (25 March 1987) the Bureau took note of the Programme Calendar and requested the secretariat to submit it to the Fifth Ordinary Meeting of the Contracting Parties (UNEP/BUR/28, para 15).

Recommendations

8. The meeting is invited to adopt the Programme Calendar contained in the present document.
